

Vishnu Waman Thakur Charitable Trust's  
**VIVA INSTITUTE OF TECHNOLOGY**

APPROVED BY AICTE, NEW DELHI, DTE, GOVT. OF MAHARASHTRA AND AFFILIATED TO THE  
UNIVERSITY OF MUMBAI

At. Shirgaon, Post Virar, Tal. Vasai, Dist. Palghar - 401305 Tel: 7770002544 Website: [www.viva-technology.org](http://www.viva-technology.org)

**Department of Mechanical Engineering**

<b>Topic Name:</b>	IPR & PATENT, DESIGN FILING
<b>Name of the Guest Speaker:</b>	Mr. Himanshu Chandrakar
<b>Designation:</b>	Examiner of patents & Design
<b>Organization/Institution:</b>	Rajiv Gandhi National Institute Of Intellectual Property Managment
<b>Date:</b>	11/10/2022
<b>Time:</b>	2.30-3.30 pm

**Programme Summary/Details:**

Mr. Himanshu provided valuable insights into the significance of intellectual property in the engineering field, highlighting its role in fostering innovation and protecting creative ideas. He explained the different types of intellectual property, focusing on patents and designs, and their importance in safeguarding inventions and innovations.

The session covered the step-by-step process of filing patents and designs, from the initial idea to the final registration. Students learned about conducting prior art searches, drafting patent applications, and the various requirements needed for successful filings. Additionally, the lecture addressed the challenges and common mistakes encountered during the filing process and how to avoid them.

Mr. Himanshu's engaging presentation and real-life examples captivated the audience and encouraged active participation and questions from the students. The lecture provided a comprehensive overview of intellectual property rights and its relevance in the engineering domain, empowering the students to protect their future innovations and make informed decisions about their intellectual property.

Overall, the guest lecture on IPR & Patent Designs Filing by Mr. Himanshu was a resounding success, equipping the engineering students with essential knowledge and practical insights to navigate the world of intellectual property with confidence.
