Programme Summary/Details:

The Department of Master of Computer Applications at VIVA Institute of Technology organized a guest lecture titled "TechNow: Trends in Modern Technologies," presented by Mr. Sandeep Vishwakarma and Mr. Abhishek Verma. The guest lecture aimed to familiarize students with the latest trends in modern technologies and to encourage them to enhance their knowledge. The speakers provided insights into various industry opportunities related to these technologies, starting with fundamental concepts and exploring career opportunities in the IT sector and salesforce sector. The event saw active participation from both the department staff and MCA students, who engaged with the speakers by asking questions. Overall, the guest lecture was an informative and beneficial session, offering students valuable perspectives on current technological trends salesforce development.
Overall it was a knowledgeable, insightful and enriching guest lecture.
