Programme Summary/Details:

The Department of Master of Computer Applications at VIVA Institute of Technology organized a workshop on "Advanced JavaScript & ReactJS," led by Mr. Prasad Tandel. The workshop aimed to provide students with in-depth knowledge of advanced JavaScript concepts and ReactJS, fostering their skills in these technologies. Mr. Tandel began with the basics and then guided students through developing and implementing applications using these tools. He also discussed career opportunities in development, addressing queries from MCA students throughout the session. The workshop saw strong participation from both department staff and students, making it a valuable and engaging learning experience for everyone involved.
