NAAC "B++" Grade

Department of Electronic & Telecommunication Engineering

Topic Name: Cyber Security – The extension of networking

Name of the Guest Speaker: Mr. Amit Redkar Designation: Senior Network Associate

Organization/Institution: Tata Communication, BKC

Date: 28/2/2024

No. of students present: 47

Programme Summary:

The guest session on Cyber security - The Extension of Networking for Students was successfully achieved its objectives by providing a holistic understanding of cyber security in the context of networking. Participants left with enhanced knowledge and a heightened awareness of the critical role cyber security plays in the engineering landscape. The event served as a stepping stone for students to delve deeper into the realm of cyber security and its applications in the evolving field of engineering.

The department of Electronic & Telecommunication Engineering express gratitude to the teachers and students for their contributions to the success of the guest lecture. The positive feedback received encourages future initiatives to continue empowering engineering students in the realm of cyber security.

Thanking you,
Student Correspondence
