Department of Computer Science Engineering (AI &ML)

Topic Name:	**Flutter Development**
Name of the Guest Speaker:	**Mr. Prathamesh Ayare**
Designation:	**Senior Engineer**
Organization/Institution:	**LTI Mindtree, Casa Sereno, Lodha, upper Thane Maharashtra**
Date:	**22nd March 2024 and 23nd March 2024**
Time:	**09:30 am to 04:30 pm**

Programme Summary/Details:

The Department of CSE(AI&ML) Engineering of VIVA institute of technology organised workshop on " **Flutter Development** " by **Mr. Prathamesh Ayare** Senior Engineer at LTI Mindtree, Casa Sereno, Lodha, upper Thane, Maharashtra. All the II year students of CSE(AI&ML) department participated in the event. The aim of this workshop was to make students get knowledge on Flutter. Flutter is among the most demanded skills today. It is transforming the way cross-platform mobile apps are built. It brings great career opportunities as the majority of the companies are adopting the Flutter framework. The reason behind the fast-growing popularity of Flutter is that it helps in creating mobile apps for multiple platforms with a single codebase. The session was much focused on providing training to students on how to develop applications using flutter.

The workshop organized by Department of Computer Science Engineering (Artificial Intelligence & Machine Learning) help the Students to write the code once, and it can be used for developing apps for Android, iOS, web, desktop, etc.
