Organization/Institution:	VIVA Institute of Technology, Virar [E]
Date:	12/01/2023
Time:	11:00am to 12:30pm

Programme Summary/Details:

The CSI-VIVA successfully organized the guest lecture event on "Publishing Research Article " at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by Dr. Devshree Ugvekar, she holds the master degree in library and information science in 2009 and 1st rank in Mumbai university. She started her professional career from All India Local self-government as Assistant Librarian & Documentation Service officer throughout networked Indian Regional offices. She has offered advice, training, and workshops on academic writing, research tools, and research procedures to professors, students, and researchers with the goal of fostering good research habits and supplying research scholars with a solid knowledge basis. The lecture was conducted to encourage students and to improve their thought process, technical reading, and citation knowledge.

She covered all the points from the very basics, starting by explaining to the students about phases of article publication. There was a large participation from department staff and students of B.E Computer Engineering.
